

ZU500USTe

High brightness WUXGA ultra short throw laser projector

- Bright WUXGA laser projector 5000 lumens
- Ultra short throw lens Screen Size: 132" 155" (Data) 132" 200" (Video)
- DuraCore laser technology 30,000 hours maintenance-free laser light source
- Dust resistant Independently tested, IP5X certification for total reliability

The ZU500USTe is powered by long-lasting, low maintenance DuraCore laser light source. The lamp-less and filter-free design vastly reduces running costs for a lower total cost of ownership.

Weighing only 5.7kg, this projector can be mounted just centimetres away from a wall or surface.

Supporting 24/7 operation and versatile orientation, the ZU500USTe is a flexible, powerful and bright ultra short throw projector that makes for a superb signage solution where space or accessibility can be limited, such as shop windows or retail displays.
