Standard features

Software	SMART Notebook® collaborative learning software including SMART Product Drivers
Touch and gestures	Perform mouse functions with your finger, and write and erase digital ink with a pen tray pen or the eraser. The Object Awareness feature enables you to pick up a pen, and then write, select or erase without replacing the pen. This interactive whiteboard also features gesture capability, providing a natural and flexible way to interact with content.
Multitouch capabilities	• Users can interact with the interactive whiteboard using the included pens or other objects, or by using their fingers to write and perform gestures. • Support for four simultaneous touches enables up to four users to interact with the interactive whiteboard.
SMART Ink™	Smoothes out the appearance of the digital ink, improving the legibility of your handwriting. The ink becomes an object you can move and manipulate.
Lockable pen option	Hold down a pen color button on the pen tray until its light flashes to lock the interactive whiteboard in pen mode. In this mode you can use any device as a pen. Early education students and students with special needs can use an object like a tennis ball to write more easily on the surface.
Pen tray	• Optical sensors in the pen tray detect when you lift a pen or eraser from the tray. Color buttons on the pen tray enable you to select pen color. • Removable end caps for optional accessories
Pen and eraser	Two ergonomic pens with a comfort grip and a rectangular eraser
Touch resolution	Approximately 4000 × 4000.
Screen surface	The hard-coated steel surface is durable, optimized for projection, compatible with dry-erase markers and easily cleaned.
Digitizing technology	Four-camera DViT® (Digital Vision Touch) technology
Frame finish	Light gray (approximates PANTONE Cool Gray 6C)
Wall-mount bracket	32" (81.3 cm) wide bracket with five screws and toggle bolt anchors to support a wall-mounted interactive whiteboard
Power connection	6' (1.8 m) power cable
Power requirements	Power consumption is less than 7 W (100V to 240V AC, 50/60 Hz, 5V DC 2.0A)

Computer requirements

SBX880	A computer or laptop with either a Windows® operating system or Mac operating system software and SMART Notebook software installed. For a complete list of computer requirements, go to smarttech.com/downloads and browse to the latest SMART Notebook release notes applicable to your operating system.
