

Func Mobile

Simplicity on wheels.

Func Mobile is a stable and robust floor bracket perfect for large heavy displays and touch-sensitive displays. Thanks to the wheels, it is easy to move the unit between different rooms. The design includes a storage box for e.g. mini-PC, codec or laptop, easily accessed from the front. The box can be locked with a padlock (not supplied). The display can also be locked with a padlock (not supplied) or the accompanying locking pin, which provides increased protection from theft and personal safety.
